(a) If the reporting frequency would otherwise be weekly, the item is to be reported on every business day if (and for as long as) there is a specific liquidity stress or market liquidity stress in relation to the firm, branch or group in question.

(b) If the reporting frequency would otherwise be monthly, the item is to be reported:

(i) every business day if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, equal to or greater than £5 billion on an individual basis or UK consolidation group basis; and

(ii) weekly if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, of less than £5 billion on both an individual basis and UK consolidation group basis,

(c) A firm must ensure that it would be able at all times to meet the requirements for daily or weekly reporting under paragraph (a) or (b) even if there is no specific liquidity stress or market liquidity stress and none is expected.

(14) The reporting frequency is as follows:

(a) weekly if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, equal or greater than EUR 30 billion on either an individual basis or UK consolidation group basis. (b) monthly if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, of less than EUR 30 billion on both an individual basis and UK consolidation group basis. (a) are subject to consolidated supervision under the CRR, except those that are either included within the consolidated supervision of a group that includes a UK credit institution, or

(b) are not subject to consolidated supervision under the CRR.

A UK designated investment firm under (a) must complete the report on the basis of its consolidation group. A UK designated investment firm under (b) must complete the report on the basis of its individual position.

(16) Lines 62 to 64 only are applicable. These lines apply to a firm that applies add-ons to their market risk capital calculation under the RNIV framework.

(17) This data item includes all annual reports and accounts that a firm is required to prepare under the Companies Act 2006 including group accounts, where required under that Act.

(18) [Deleted]

(19) A firm must complete this item separately on each of the following bases that are applicable.

(a) It must complete it on an individual basis. Therefore even if it has an individual consolidation permission it must complete the item on an unconsolidated basis by reference to the firm alone.

(b) If it is part of a domestic liquidity sub-group, it must complete the item on the basis of that group and (a) does not apply.

(c) If it is part of a sub-consolidation group, it must complete the item on the basis of that sub-consolidation group.

- (d) If it is a UK parent institution, it must complete the item on the basis of its consolidated situation if the PRA is responsible for supervision of the firm on a consolidated basis.
- (e) If it is a UK bank or building society controlled by a UK parent financial holding company or by a UK parent mixed financial holding company it must complete the item on the basis of the consolidated situation of that holding company if the PRA is responsible for supervision of the firm on a consolidated basis.
- (f) If it is a UK designated investment firm controlled by a UK parent financial holding company or by a UK parent mixed financial holding company the firm must complete the item on the basis of the consolidated situation of that holding company if: (1) there is no subsidiary of the holding company which is a credit institution to which (e) applies; and (2) the PRA is responsible for the supervision of the firm on a consolidated basis.

If the data item is required to be completed by the firm on a consolidated basis (pursuant to (d), (e) or (f) above) or on a sub-consolidated basis (pursuant to (c) above), the firm must carry out the consolidation or sub-consolidation to the same extent and in the same manner as it is required to comply with the obligations laid down in Part Six of the CRR on a consolidated basis or sub-consolidated basis.

- (20) Unless otherwise stated in the relevant modification, any changes to reporting requirements caused by a firm receiving a domestic liquidity sub-group permission do not take effect until the first day of the next reporting period applicable under the changed reporting requirements for the data item in question if the firm receives that permission part of the way through such a period. If the change is that the firm does not have to report a particular data item or does not have to report it at a particular reporting level, the firm must nevertheless report that data item or at that reporting level for any reporting period that has already begun.
- (21) This data item must be reported in the single currency in which the firm reports for the purposes of Article 415(1) of the CRR and in any additional currencies in which the firm is required to report under Article 415(2) of the CRR.

9.3 The applicable reporting frequencies for submission of data items and periods referred to in 9.2 are set out in the table below. Reporting frequencies are calculated from a firm's accounting reference date, unless indicated otherwise.

(5) The reporting frequency in this row applies to all **annual reports and accounts**

that a **firm** is required to submit under **7.1**.

- (6) Reporting frequencies and reporting periods for these **data items** are calculated on a calendar year basis and not from a firm's **accounting reference date** unless the **firm** notifies the **PRA** that it intends to adjust its reporting reference date for submission of the **data item** from the calendar year to its accounting year-end in accordance with **19.3A**. Where a **firm** reports on a calendar year basis:
- (a) a month begins on the first day of the calendar month and ends on the last day of that month;
 - (b) quarters end on 31 March, 30 June, 30 September and 31 December; and
 - (c) half years end on 30 June and 31 December.
- (7) If the report is on an individual basis the reporting is quarterly. If the report is on a **consolidated basis**, the reporting frequency is half yearly.
- (8) [deleted]
- (9) Reporting frequencies and reporting periods for this **data item** are calculated on a calendar year basis and not from a **firm's accounting reference date**. In particular:
- (a) A week means the period beginning on Saturday and ending on Friday.
 - (b) A month begins on the first day of the calendar month and ends on the last day of that month.
 - (c) Quarters end on 31 March, 30 June, 30 September and 31 December.
 - (d) Daily means each **business day**.

All periods are calculated by reference to London time.

Any changes to reporting requirements caused by a **firm** receiving a **domestic liquidity sub-group** permission do not take effect until the first day of the next reporting period applicable under the changed reporting requirements if the **firm** receives that permission part of the way through such a period. If the change is that the **firm** does not have to report a particular **data item** or does not have to report it at a particular **reporting level**, the **firm** must nevertheless report that **data item** or at that **reporting level** for any reporting period that has already begun.

(10)

- (a) If the reporting frequency would otherwise be weekly, the item is to be reported on every **business day** if (and for as long as) there is a specific liquidity stress or market liquidity stress in relation to the **firm**, **branch** or group in question.
- (b) If the reporting frequency would otherwise be monthly, the item is to be reported:
 - (i) every **business day** if the **firm** has **total assets**, calculated in accordance

with provisions implementing Council Directive 86/635/EEC, equal to or greater than £5 billion on an individual basis or UK consolidation group basis; and

(ii) weekly if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, of less than £5 billion on both an individual basis and UK consolidation group basis, if (and for as long as) there is a specific liquidity stress or market liquidity stress in relation to the firm, branch or group in question.

(c) A firm must ensure that it would be able at all times to meet the requirements for daily or weekly reporting under paragraph (a) or (b) even if there is no specific liquidity stress or market liquidity stress and none is expected.

(11) The reporting frequency is as follows:

(a) weekly if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, equal or greater than EUR 30 billion on either an individual basis or UK consolidation group basis. This requirement stops applying if the total assets of the firm on both an individual basis and UK consolidation group basis reduce to less than EUR 30 billion for at least four consecutive weekly reporting periods, in which case the firm is required to start reporting this data item monthly after the end of last consecutive reporting period; and

(b) monthly if the firm has total assets, calculated in accordance with provisions implementing Council Directive 86/635/EEC, of less than EUR 30 billion on both an individual basis and UK consolidation group basis. This requirement stops applying if during any monthly reporting period the total assets of the firm, on either an individual basis or UK consolidation group basis, become equal to or greater than EUR 30 billion, in which case the firm is required to start reporting this data item weekly after the end of that reporting period.

12 Financial Conglomerates

12.1 The changes to this rule are effective from 23:00 on 31/12/2020.

This Chapter applies only to a firm that is a member of a financial conglomerate and either:

- (1) it is at the head of a UK-regulated financial conglomerate; or
- (2) its Part 4A permission contains a requirement which either:
 - (a) applies 12.3 to the firm; or
 - (b) applies 12.3 to the firm unless the UK mixed financial holding company of the financial conglomerate to which the firm belongs submits the report required under this rule (as if the rule applied to it).

31/12/2020

12.2 Firms must submit to the PRA the duly completed data items specified in 12.3 in accordance with 12.3.

01/01/2016

12.3 The table below sets out the following:

- (a) the applicable data items;
- (b) the applicable reporting frequencies for submission of data items and periods (calculated from a firm's accounting reference date, unless indicated otherwise); and
- (c) the applicable due dates for submission. The due dates are the last day of the periods given in the table below following the relevant reporting frequency

period, unless indicated otherwise.

Financial conglomerates			
Content of Report	<u>Date</u> <u>item</u> <u>(1)</u>	Fre qu en cy	Due Date
Calculation of supplementary capital adequacy requirements in accordance with one of the three technical calculation methods	(2)	(5) Annually	(5)
Identification of significant <u>risk concentration</u> levels	(3)	Annually	4 months after year end
Identification of significant <u>intra-group transactions</u>	(4)	Annually	4 months after year end
Report on compliance with <u>Financial Conglomerates 4.2</u> where it applies	(6)	(5)	(5)

- (1) When giving the report required, a firm must use the form indicated, if any.
- (2) Adequate information must be provided, specifying the calculation method used and each financial conglomerate for which the PRA is the co-ordinator must discuss with the PRA the form which this reporting will take and the extent to which verification by an auditor will be required.
- (3) Rather than specifying a standard format for each financial conglomerate to use, each financial conglomerate for which the PRA is the co-ordinator must discuss with the PRA the form of the information to be reported. This should mean that usual information management systems of the financial conglomerate can be used to the extent possible to generate and analyse the information required.
- (4) For the purposes of this reporting requirement, an intra-group transaction will be presumed to be significant if its amount exceeds 5% of the total amount of capital adequacy requirements at the level of the financial conglomerate. Rather than specifying a standard format for each financial conglomerate to use, each financial conglomerate for which the PRA is the co-ordinator must

discuss with the PRA the form of the information to be reported.

(5) The frequency and due date will be as follows:

- (a) **banking and investment services conglomerate**: frequency is annually with due date 45 **business days** after period end;
- (b) **insurance conglomerate**: frequency is annually with due date four months after period end for the capital adequacy return and three months after period end for the report on compliance with **Financial Conglomerates 4.2** where it applies.

(6) Adequate information must be added as a separate item to the relevant form for sectoral reporting.

01/10/2017

Requirement to submit Capital+ **data items**

20.2 A **firm** which satisfies any **Capital+ condition** on the **initial Capital+ reference date** applicable to it must submit to the **PRA** on a continuing basis the **data item** applicable to the relevant **Capital+ condition** as set out in column (2) of the **Capital+ reporting table**.

01/10/2017

20.3 Where a **firm** is required to submit a **data item** in accordance with this Chapter, it must submit this information:

- (1) at the frequency specified in column (3) of the **Capital+ reporting table**;
- (2) by the due date specified in column (4) of the **Capital+ reporting table**; and
- (3) on the basis set out in the rule specified in column (5) of the **Capital+ reporting table**.

01/10/2017

20.4 The first frequency period for the purposes of **20.3** is:

- (1) where a **firm** satisfies **Capital+ condition 7** or **Capital+ condition 8** on its **initial Capital+ reference date**, one year ending with:
 - (a) where the **firm's initial Capital+ reference date** is its **accounting reference date**, its **initial Capital+ reference date**; or

01/10/2017

Capital+ conditions

20.6 The changes to this rule are effective from 23:00 on 31/12/2020.

A firm satisfies Capital+ condition 1:

- (1) if the firm is UK parent institution, where it has retail deposits equal to or greater than £50 billion and total assets equal to or greater than £320 billion on the basis of its consolidated situation;
- (2) if the firm is controlled by a UK parent financial holding company, a UK parent mixed financial holding company or a UK parent institution and the PRA is responsible for supervision of that holding company or UK parent institution on a consolidated basis, where it has retail deposits equal to or greater than £50 billion and total assets equal to or greater than £320 billion on the basis of the consolidated situation of that UK holding company or UK parent institution.
- (3) if the firm is not part of a consolidation group, where it has retail deposits equal to or greater than £50 billion and total assets equal to or greater than £320 billion on an individual basis; or
- (4) if the firm is a ring-fenced body that is part of a sub-consolidation group, where it has retail deposits equal to or greater than £50 billion and total assets equal to or greater than £320 billion on a sub-consolidated basis.

31/12/2020

20.7 A firm satisfies Capital+ condition 2 if it:

- (2) if the firm is controlled by a UK parent financial holding company, UK parent mixed financial holding company or a UK parent institution and the PRA is responsible for supervision of that UK holding company or UK parent institution on a consolidated basis, where it has retail deposits greater than or equal to £50 billion and total assets greater than £5 billion but less than £320 billion on the basis of the consolidated situation of that UK holding company or UK parent institution;
- (3) if the firm is not part of a consolidation group, where it has retail deposits greater than £50 billion and total assets greater than £5 billion but less than £320 billion on an individual basis; or
- (4) if the firm is a ring-fenced body that is part of a sub-consolidation group, where it has retail deposits equal to or greater than £50 billion and total assets greater than £5 billion but less than £320 billion on a sub-consolidated basis.

31/12/2020

20.9 A firm satisfies Capital+ condition 4 if it:

- (1) satisfies Capital+ condition 3 in accordance with 20.8(1) or 20.8(2); and
- (2) has total assets equal to or greater than £50 billion on an individual basis.

01/10/2017

20.10 The changes to this rule are effective from 23:00 on 31/12/2020.

A firm satisfies Capital+ condition 5 if it:

- (1) is part of a consolidation group;
- (2) has total assets greater than £5 billion:
 - (a) if the firm is a UK parent institution on the basis of its consolidated situation; or

(b) if the firm is controlled by a UK parent financial holding company, a UK parent mixed financial holding company or a UK parent institution and the PRA is responsible for supervision of that UK holding company or UK parent institution on a consolidated basis, on the basis of the consolidated situation of that UK holding company or UK parent institution; and

(3) does not satisfy Capital+ condition 1 on the basis of 20.6(1) or 20.6(2) or Capital+ condition 3 on the basis of 20.8(1) or 20.8(2).

31/12/2020

20.10A A firm satisfies Capital+ condition 5 if it is a ring-fenced body that is part of a sub-consolidation group and has total assets greater than £5 billion on a sub-consolidated basis and does not satisfy Capital+ condition 1 on the basis of 20.6(4) or Capital+ condition 3 on the basis of 20.8(4).

01/01/2019

20.11 A firm satisfies Capital+ condition 6 if it has total assets greater than £5 billion on an individual basis and:

- (1) if it is not part of a consolidation group, where it does not satisfy Capital+ condition 1 or Capital+ condition 3; or
- (2) if it is part of a consolidation group, where it does not satisfy Capital+ condition 2 or Capital+ condition 4.

01/10/2017

20.12 A firm satisfies Capital+ condition 7 if it is part of a consolidation group and it does not satisfy Capital+ condition 1, Capital+ condition 3 or Capital+ condition 5.

01/10/2017

20.13 A firm satisfies Capital+ condition 8:

- (1) where it is not part of a consolidation group, if it does not satisfy Capital+ condition 1, Capital+ condition 3 or Capital+ condition 6; or
- (2) where a firm is part of a consolidation group, if it does not satisfy Capital+ condition 2, Capital+ condition 4 or Capital+ condition 6.

01/10/2017

Moving between Capital+ conditions

20.14 A firm must consider which Capital+ conditions it satisfies on every Capital+ reference date following its initial Capital+ reference date, and where a Capital+ reference date is a Capital+ changeover date:

- (1) 20.16 applies where the new Capital+ condition is higher, and
- (2) 20.18 applies where the new Capital+ condition is lower.

01/10/2017

20.15 For the purposes of 20.14 and 20.20, Capital+ condition 1 is the highest and Capital+ condition 8 is the lowest.

01/10/2017

20.16 Where this rule applies as a result of 20.14(1) or 20.20, the firm must:

- (1) submit to the PRA the data item applicable to the old Capital+ condition in respect of the frequency period ending with that Capital+ changeover date by the due date applicable to the old Capital+ condition;
- (2) after it has complied with 20.16(1), cease submitting the data item applicable to the old Capital+ condition to the PRA; and
- (3) submit to the PRA on a continuing basis the data item applicable to the new Capital+ condition, as set out in column (2) of the Capital+ reporting table.

01/10/2017

20.17 The first frequency period for the purposes of 20.16(3) is the frequency period specified in column (3) of the Capital+ reporting table, starting with the Capital+ changeover date which caused 20.16 to apply.

01/10/2017

20.18 Subject to 20.20, where this rule applies as a result of 20.14(2), the firm must:

- (1) continue to submit to the PRA the data item applicable to the old Capital+ condition until the firm's next Capital+ reference date, including the data item due in respect of the frequency period ending with that next Capital+ reference date;
- (2) after it has complied with 20.18(1), cease submitting the data item applicable to the old Capital+ condition to the PRA; and
- (3) submit to the PRA on a continuing basis the data item applicable to the new Capital+ condition, as set out in column (2) of the Capital+ reporting table.

01/10/2017

20.19 The first frequency period for the purposes of 20.18(3) is:

- (1) where the data item required to be submitted under 20.18(3) is PRA103, one year starting from:
 - (a) where the Capital+ changeover date which caused 20.18(2) to apply is the same as the firm's accounting reference date, that Capital+ changeover date; or
 - (b) where 20.18(1)(a) does not apply, the firm's first accounting reference date following the Capital+ changeover date which caused 20.18 to apply; or
- (2) where the data item required to be submitted under 20.18(3) is PRA101 or PRA102, the frequency period specified in column (3) of the Capital+ reporting table, starting with the next Capital+ reference date after the Capital+ changeover date which caused 20.18 to apply.

01/10/2017

20.20 Where 20.18 applies as a result of 20.14(2), and where at any Capital+ reference date before a firm is required to submit its first data item under 20.18(3), the firm satisfies a higher Capital+ condition than the new Capital+ condition which caused 20.18 to apply:

- (1) the changes specified in 20.18 cease to take effect; and
- (2) 20.16 applies.

01/10/2017

Capital+ reporting table

20.21 The Capital+ reporting table below sets out, in respect of the requirements to submit data items in this Chapter:

- (1) in column (1), the Capital+ conditions to which the obligations to submit data items relate;
- (2) in column (2), the data items which must be submitted by a firm where the firm meets any Capital+ condition set out in column (1);
- (3) in column (3), the frequency at which a firm must submit each data item;
- (4) in column (4), the due date for submission of each data item, being the last day of the period starting from the end of each frequency period and ending with the number of business days set out in column (4); and
- (5) in column (5), the rule which sets out the basis or bases on which each data item must be completed.
